

VOLVO V40

INNOVATION FOR PEOPLE

Made by Sweden

At Volvo Cars, we continuously innovate in order to make your life better. Every car, every technology and every design is the result of a clear vision – to put people at the heart of everything we do. It's a vision that has driven us from the start, one informed by Sweden, a country which values people as individuals and where conventions are challenged. It's a culture with a rich design heritage and a unique way of looking at the world.

URBAN STYLE MEETS ADVENTURE

Designed around you. The Volvo V40 Cross Country is the compact premium hatchback that's perfectly suited to an adventurous urban life. With updated styling and intuitive technology, it's a more distinctive choice than ever.

AGILITY ON DEMAND

With a sleek design and delightful driving pleasure, the Volvo V40 Cross Country works perfectly in both everyday and adventure.

TAKE YOUR HOME WITH YOU

The best of Scandinavian design

Inspired by the all of the things that make a Swedish home so welcoming – comfort, light and the best of natural materials and craftsmanship. From the moment you open the door you are welcomed by a cabin full of light and space. A place where you are surrounded by innovation and designed to ensure that you enjoy every journey.

SENSUS

Stay connected, wherever you go.

The perfect sound for a perfect ride. When driving a Volvo you'll experience how design, materials, colours and sound appeal to all your senses, with you at the centre.

our High Performance sound system, which delivers a crisp, natural sound at a quality that's rare in their respective class.

You only needs to make voice commands to complete the functions of voice control and voice control radio. Whether it's entertainment.

INTELLISAFE

*Intuitive safety by Volvo Cars. For you, and
for those around you.*

City Safety is designed to prevent you from colliding with the car in front if it stops, or slows suddenly. This advanced IntelliSafe system will automatically brake to avoid a collision and works at speeds of up to 31mph

Adaptive Cruise Control with queue assist (queue assist only available for automatics) keeps your vehicle at a set speed and distance from the car in front, even in slow-moving traffic.

You can keep your eyes on the road and let our BLIS™ System keep an eye on your surroundings. Radar keeps constant watch and alerts you if a vehicle enters your blind spot.

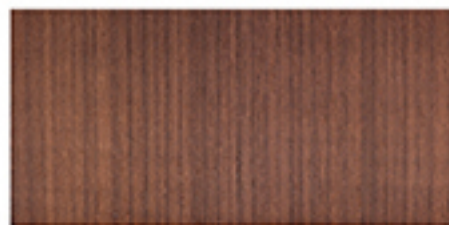

READY FOR YOUR ADVENTURE

The Volvo V40 Cross Country gives you even more potential for adventure and fun in the city and beyond. It has the versatility to fit in with your active lifestyle. Yet it also got the agility to really inject some fun into your driving, and its looks will make you stand out from the crowd.
